	Chanse the carre	ct 'restatement' A	R C or D that is c	losest in meaning to the original

- Choose the correct 'restatement' A, B, C, or D that is closest in meaning to the origina sentence.
- 26. The earliest date for all students to submit their assignments will be the 14th July.

A All students must submit their exam papers on the 14<sup>th</sup> July at the earliest.

#### B Students can submit their assignments on or after the 14th July.

- **C** Students' assignments cannot be submitted after the 14<sup>th</sup> July.
- **D** The 14<sup>th</sup> July is the date that all students have until to submit their assignments.
- 27. Less is known about the causes of the common cold than the causes of many more serious illnesses.

**A** We know very little about the causes of serious diseases, despite our knowledge of the causes of the common cold.

**B** The common cold can prove much more serious than some other severe illnesses, although little is known about it.

## C It is a fact that our knowledge about the causes of the common cold is more limited than that of many more serious diseases.

**D** We have very little understanding of the causes of the common cold, but it is important to further our knowledge on the causes of more serious illnesses.

### 28. The fire brigade was ill-prepared to deal with the fire when it broke out, despite having a lot of training.

**A** As a result of their extensive training, the fire brigade was ready to deal with the fire which had just started.

- **B** The fire brigade was unable to stop the fire which broke out due the inadequate training they had undergone.
- **C** The fire broke out prior to the extensive training the fire brigade was required to undertake, which made it uncontrollable.

D Although the fire brigade had undertaken extensive training beforehand, the fire couldn't be efficiently controlled when it started.

29. The numerous contradictions in the witness's statement have raised doubts about the reliability of his evidence.

A The certainty of the reliability of the witness's evidence has been called into question because he often misstates what he has previously said.

- **B** The ambiguous witness statement involved a number of contradictions which made the court untrustworthy in its findings.
- **C** The deceptive statement that the witness gave made people doubt about the reliability of the case.
- **D** The witness was so unconvincing that he doubted the contradictory statements made by others in their evidence.
- 30. Our company used to have its head office in Ankara, where most of our shops are, but it moved to Istanbul a short while ago.
- **A** Istanbul and Ankara are the head office locations for our company as all of our retail operations are situated in these cities.
- **B** Our company is about to move its head office location to Istanbul, although our shops will remain situated in Ankara.
- **C** Our shops and head office used to be located in Ankara, however we moved both operations to Istanbul some time ago.

<u>D Most of our firm's shops are in Ankara and until recently, our head office was also there, but now it is</u> in Istanbul.
